THE JOKE OF THE SEASON

The Jacksonville Metropolis of Thursday says the rally at Leesburg was the grandest and largest democratic gathering that will assemble in the state this campaign and that at 8 a. m. 3000 people were waiting for the festivities to begin. Had the reporter said 300 it would still be overestimated. That opinions prevail, Jacksonville will sweep Lake, Sumter, Osceola and Orange counties November 6 will puncture rudely the Metropolis' "gas bag." Again says the Star, "Tell the truth and shame the devil."

Jacksonville offers to the people of Florida a free site for the location of the state capitol building, a large amount of money and a convenience and accessibility of situation that can be approached by no other city in the state.—Jacksonville Metropolis.

Why, Jacksonville and St. Augustine can't be named in the same breath. As for Gainesville and Ocala, they speak for themselves.

William Jennings Bryan, the democratic nominee for president, has mapped out a six weeks' campaign and will visit the middle western and middle states. He opened his canvass in Cumberland, Md., Tuesday, to an immense audience and the republican senator, Wellington, made a Bryan speech from the same platform.

The state canvassers held forth in great shape at West Palm Beach Wednesday. Jennings and Davis were the orators. State Senator E. M. Dimick introduced the speakers and then a reception was tendered them and the beauties of that Edenic place shown them. Congressman Davis said Dimick's home was a paradise on earth and if he could possess it he would be willing to live and die there.

Bryan made two magnificent speeches Wednesday, one at Morgan's Grove and the other at Keyser, Md. There was an exceptionally large audience at the former meeting, people from three states being present, Maryland, Pennsylvania and West Virginia. Hon. Geo. R. Wendling, who opposed him in 1896, is now for him and introduced Bryan.

The republicans carried Vermont Tuesday by 31,000 majority. The state senate is solidly republican and the house 200 republicans to forty-six democrats. Temperance cut a big figure in the contest.

The emergency bags sent by a church society to Kansas soldiers in the Philippines contained among the necessities a box of DeWitt's Witch Hazel Salve, the well known cure for piles, injuries and skin diseases. The ladies took care to obtain the original DeWitt's Witch Hazel Salve, knowing that all the counterfeits are worthless. Anti-Monopoly Drugstore.

A LIFE AND DEATH FIGHT

Mr. W. A. Hines, of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure throat, chest and lung troubles." Regular size 50c and \$1. Trial bottles at Garrett & Gerig's, Ocala, Fla., and all other druggists.

THE BIG LEESBURG MEETING

(Continued from First Page)

very creditable two-story building, but are devoted to their college, while their total abstinence proclivities are so strong and united as a community, no barroom can find a home in the midst of that ideal people, while if a blind tiger dares to show his head, destruction awaits the vile stuff surreptitiously vended and the violator is thoroughly flagellated by the strong biceps of the law. His punishment is severe and repentance is sore indeed.

We had the pleasure of being introduced to Mr. Love, one of Leesburg's original settlers and orange growers, who came to that place thirty years ago from Mississippi. He is a splendid gentleman and one whom discouragements and vicissitudes never cast down, for he is just as enthusiastic and determined today in his efforts to make an orange grove as he was fifteen years ago and points with pardonable pride to the two grapefruit now on one of his trees. Such men found towns and establish republics.

But we must halt and end by saying that Mr. Burford in telling D. U. Fletcher goodbye said he hoped to see him argue cases before the state supreme court in Ocala and to welcome Editor Joe Pratt, of the Commercial, as senator from Lake to the state capitol at Ocala.

GLORIOUS NEWS

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by Garrett & Gerig, Ocala, Fla., and all other druggists.

BLOOD POISON.

Mercury AND Potash Make Wrecks, Not Cures

In some cases the external signs of Contagious Blood Poison are so slight that the victim is firmly within the grasp of the monster before the true nature of the disease is known. In other cases the blood is quickly filled with this poisonous virus and the swollen glands, mucus patches in the mouth, sores on scalp, ulcers on tongue, sore throat, eruptions on skin, copper colored spots, and falling hair and eyebrows leave no room for doubt, as these are all unmistakable signs of Contagious Blood Poison.

Doctors still prescribe mercury and potash as the only cure for Blood Poison. These poisonous minerals never yet made a complete and permanent cure of Contagious Blood Poison. They drive the disease back into the system, cover it up for a while, but it breaks out again in worse form. These powerful minerals produce mercurial rheumatism and the most offensive sores and ulcers, causing the joints to stiffen and finger nails to drop off. Mercury and potash make wrecks, not cures, and those who have been dosed with these drugs are never after free from aches and pain.

S. S. S. acts in an entirely different manner, being a purely vegetable remedy; it forces the poison out of the system, and instead of tearing down, builds up and invigorates the general health. S. S. S. is the only antidote for this specific virus, and therefore the only cure for Contagious Blood Poison. No matter in what stage or how hopeless the case may appear, even though pronounced incurable by the doctors, S. S. S. can be relied upon to make a rapid, permanent cure. S. S. S. is not a new, untried remedy; an experience of nearly fifty years has proven it a sure and unfailing cure for this disease. It is the only purely vegetable blood medicine known.

Mr. H. L. Myers, 100 Mulberry St., Newark, N. J., says: "I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body. These soon broke out into sores, and it is easy to imagine the suffering I endured. Before I became convinced that the doctors could do me no good I had spent a hundred dollars, which was really thrown away. I then tried various patent medicines, but they did not reach the disease. When I had finished my first bottle of S. S. S. I was greatly improved, and was delighted with the result. The large, red spots on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite improved. I was soon entirely well, and my skin as clear as a piece of glass."

Send for our Home Treatment Book, which contains valuable information about this disease, with complete directions for self treatment. Our medical department is in charge of physicians who have made a life-time study of blood diseases. Don't hesitate to write for any information or advice wanted. We make no charge whatever for this.
